A FUGITIVE ARRESTED.—Charles Schuler, a responsible looking German, about thirty five years of age, and a painter by trade was employed some time ago by a resident of Woodhouse, to do some painting. After filling his contract with his first employer, he worked for several other parties in the neighborhood, and then for Mount Vernon, where he remained some time. Last Monday he came to this city, with two checks drawn on the "First National Bank of Alexandria," in his pocket, for \$750, purporting to be issued by J. Mason, of Woodhouse, and the other for \$25, bearing the name of C. H. Hollingsworth. The \$25 check he took to Mr. Henry Harboer, a long street restaurateur, who loaned him \$200 on the other he borrowed \$50 from Mr. Bliss, Dentist, of Accost. When the checks were presented to the bank in this city yesterday morning, the holders, Messrs. Harboer and Dentist, were informed that neither C. H. Hollingsworth (the Superintendent of Mount Vernon) or Mr. Mason had accounts there, to the amount Schuler had left the city for Washington, where he spent the money realized on the bogus checks pretty freely. Mr. Dentist, however, the man, and in a short time found in the chase by Mr. Harboer. After a short search he was discovered walking down Pennsylvania avenue, when he was immediately arrested by a couple of detectives who had been assigned to watch the case up, and lodged in the police headquarters at that city. This morning he was brought to this city by Officer James Smith, who was detailed for that purpose, and lodged up until the afternoon, when he had an examination before the Mayor.

THE NEALE'S SPEECH IN RAPPANNOCK.—The "Blue Ridge Echo" referring to the speech made by Mr. S. C. Neale, of this city, on Monday last in Rappahannock county says: "Mr. Neale was received by the audience with such a demonstration as seldom befalls a public speaker. His many defects of Barbour and Alexandria won the confidence of those people who never knew him. He has a pleasant voice, a good delivery and made an effort so happy that had he spoken for hours, he might have made a better impression upon our people. The warm reception given Mr. Neale by our people is evidence that he is a very young man in this county, and shows that the voters endorse their delegates in supporting Neale after Gibson, at Alexandria."

THE BARBERE.—The preparations for the barbers' and most meeting at Fairfax Court House, on Monday next, have been completed, and the citizens of that county are now waiting for the day that they can show the people of the State and country what old Fairfax county is in the possession of a democratic justification. A note received at this office to day says: "Have the goodness to state in your columns that the committee of arrangements are prepared to entertain 2,500 people on Monday next. They look for 200 from the city of Alexandria, and their expenses will equal any demand."

PORTFOLIO.—The Mahone readjusters will hold a meeting to night at Sarcopia Hall. Speeches will be made by Capt. H. H. Riddleberger, Capt. F. S. Blair and Gen. Williams. Among those who left the city this morning to attend the republican meeting at Fairfax C. H. to day were Mr. S. P. Bayly, republican candidate for Congress from this district, and Mr. Louis E. Payne.

HERREW FEAST OF TABERNACLES.—The Hebrew Feast of Tabernacles, commemorating the time when the children of Israel dwelt in booths in the wilderness, commences to-morrow evening at sunset and continues for eight days. Appropriate exercises conducted by Rabbi Nesher, will be held in the synagogue, in this city, to-morrow evening at 6:30 o'clock.

ANOTHER OPPORTUNITY.—\$20,000, \$10,000, \$5,000, and 1,957 other cash prizes to the 24th popular drawing Commonwealth Distribution Company, at Louisville, Ky., on the 30th. Tickets only \$2. Send for one to K. M. Boardman, Courier Journal Building, Louisville, Ky., or R. M. Boardman, Nos. 307 and 309 Broadway, New York.

No Compromise.

RICHMOND, VA., Sep. 17.—The letter of the conservative committee to that of the readjusters, accepting the latter's plan for a primary election, and submitting certain amendments to said plan, has just been made public. In it the committee say: "We regret that your committee did not accept the plan of compromise which we submitted to you in deference to the decree of many of our people of all shades of opinion on local issues; but we share in the disposition which you declare, not to 'perpetuate strife between the supporters of Hancock and English,' and stand ready to meet you in any fair, honorable and just terms of reconciliation and concession, which shall clearly and unequivocally maintain the principles enumerated and the nominees presented by the Cincinnati convention of the national democracy. We propose to amend the third section of the plan of reconciliation submitted by your committee, so as to require that none but legal voters, who are national democrats, shall participate in the election. Gen. Hancock and Mr. English were nominated by a regular democratic convention. The delegates who shared in their nomination were all democrats. No democrat can fittingly object to confining the selection of those who are to be entrusted with casting the popular vote for the democratic nominees to their brother democrats alone. We by no means wish to exclude any person, of whatever political profession, from voting for Hancock and English. On the contrary, we welcome all who wish, in good faith, to support them. But party feeling, prejudice, and unwarranted custom alike, require that representatives of the party be chosen by members of the party. Some of the members of the party which your committee represents have publicly declared that, in their opinion, a majority of the Virginia democrats are in sympathy with them. We cannot see that they can object to the test of a democratic primary election, which would only result, if duly be carried, in vindicating their judgment. We make the test. Several other amendments of minor importance here follow. In conclusion the committee say: "Seeking only the triumph of the national democracy we will cordially join with you in the effort to unite all its adherents, if it means your abandonment. The political destinies of fifty millions of people should not, in our judgment, be in anywise disturbed or imperiled by a difference of opinion of a matter local to our State. We do not want that the people of Virginia will in their own way dispose of local questions, but we deprecate their interference into national controversies which concern the whole country. To do this we would only perpetuate the strife between the supporters of Hancock, which our letter declares you do not desire. While we have every confidence that the ticket which we represent would be successful, we desire that the moral influence of Virginia's action may be everywhere felt, ere the battle is ended, and that all popular apprehensions may at once be eased by that union of all democrats which will put her course beyond controversy or question."

THE READJUSTERS' COMMITTEE.—The committee on the readjusters' plan, which was organized on Monday last, held a meeting at the City Hall, on Tuesday morning. The committee consists of Messrs. Harboer, Dentist, and Dentist, who were informed that neither C. H. Hollingsworth (the Superintendent of Mount Vernon) or Mr. Mason had accounts there, to the amount Schuler had left the city for Washington, where he spent the money realized on the bogus checks pretty freely. TO-DAY'S TELEGRAPH NEWS

Democratic Meeting.
WINCHESTER, VA., Sept. 18, 1880.—A large and enthusiastic gathering was held here to day. It was addressed first by Mr. Barbour, democratic candidate for Congress from this district, who made a telling speech and fine impression. He was followed by Gov. Hamilton of Maryland, and Senator Vance, of North Carolina. The crowd was very much enthused and the best of feeling prevailed. To night speeches will be made by Dr. Moffat and Congressman Ellis, of Louisiana. All promises well for the cause.

Republican Meeting.
FAIRFAX C. H., Sept. 18—noon.—The town is rapidly filling up with negroes—men, women and children—to attend the republican meeting to commence here at two o'clock this afternoon. Messrs. S. P. Bayly, republican candidate for Congress for this district, and L. E. Payne, of Alexandria, who are to deliver speeches, are here, but Internal Revenue Commissioner Baum, who was expected, has not yet arrived. The Mahonites have not asked the republicans to divide time with them, but have asked the democrats for a division at their meeting to be held Monday.

The Maine Election.
BANGOR, September 18.—The condition of political affairs in this State remains unchanged. A painful uncertainty as to the result is everywhere noticeable. That the republican leaders have plotted a bold scheme to defraud the people of their rightful governor and are now attempting to carry it into execution is now generally acknowledged. The opinion is now prevailing that nothing but the most prompt and decisive action on the part of the people will save the State from the result which will be known only after the November election.

Savage Macedonians.
LONDON, Sept. 18.—The Manchester Guardian's correspondent at Salonica says: "The northwestern part of Macedonia is very unsettled. Bands called 'Avengers' have been formed within the past six weeks a number of Moslems, including one bey and two functionaries. The Moslems retaliated and many Bulgarians have fallen victims."

The Naval Demonstration.
LONDON, September 18.—A Constantinople dispatch to the Daily Telegraph says: "In the protest against the naval demonstration telegraphed to the Turkish diplomatic representatives abroad on the 16th instant the Porte further asks the powers to guarantee that the naval demonstration shall not take place if Duligno is surrendered. A note embodying the foregoing has been communicated verbally to the ambassadors of the European powers here."

Opening of the Ball.
LONDON, Sept. 18.—A dispatch from Ragusa to Renter's Telegraph Co. says: "Eight thousand Albanians have occupied the town and fortress of Duligno expelling two battalions of Turkish troops who formed the garrison."

Death.
LONDON, Sept. 18.—The Right Hon. Sir Fitzroy Kelly, Lord Chief Baron of the Court of the Exchequer, died at Brighton, yesterday. The deceased was born in London in 1796.

Nomination.
SCHENECTADY, N. Y., Sept. 18.—Hon. Geo. West, of Ballston, has been nominated for Congress by the republicans of the 20th district on the first ballot.

Probable Insurrection.
BARLIN, September 18.—The St. Petersburg correspondent of the Revalskait telegraph says: "The outbreak of an insurrection in Eastern Roumelia is only a question of a few weeks."

THE THIRD EXHIBITION
OF THE
ALEXANDRIA AND FAIRFAX
Agricultural & Industrial Ass'n.
 Will take place this year on the 25th, 29th & 30th of Sept., and Oct. 1st. I am now ready to receive applications for spaces in the main building, and for stalls and stands on the grounds. The spaces occupied last year in the main building, which were fitted up by the occupants, will be reserved for those who fitted them up until the 30th day of September, after which time, if not arranged for, I will feel at liberty to let out to any other applicants. We have been forced to make additions to our horse, cattle and poultry departments to be able to accommodate those who have already entered, and we will be glad to hear as early as possible from others who intend to exhibit, that we may be able to accommodate all who apply. The premium lists, as well as any other information, can be obtained of me. I am always to be found at the office of Beckham & Co., No. 27 King street.
